A Growing Need

The number of counties in the Commonwealth of Kentucky that have passed laws allowing some form of liquor sales has increased in the last several years. Due to that increase the need for server/ seller education has grown.

The Kentucky ABC is seeking to promote responsible alcohol service by training the people that sell and serve alcohol. Once trained, these people can be a positive force in reducing alcohol related problems.

The mission of the Education Branch of the Kentucky ABC is to promote a program of education designed to ensure that alcohol and tobacco products are available only to legally eligible persons and that alcoholic beverages are sold and served in a responsible manner.

We encourage voluntary compliance through statewide education.

Course includes 3-year certification and all class materials.
Call for fee information.

S.T.A.R. Goals

Seller and server training enhances public health and safety by:

- Reducing the number of drunk drivers
- Reducing illegal alcohol sales to minors
- Reducing alcohol abuse
- Promoting responsible consumption
- Providing information to sellers and servers to protect themselves from third party liability lawsuits
- Educating licensees and servers about Kentucky liquor laws

The intent of the STAR program is to help sellers and servers of alcoholic beverages develop the knowledge and skills that support responsible alcohol service.

What You Will Learn

Topics discussed in S.T.A.R. Training

- The effects of alcohol on the body and behavior, including interaction of alcohol with over the counter drugs
- Kentucky alcoholic beverage laws and regulations including drunk driving laws
- Intervention techniques for dealing with intoxicated and underage customers
- Responsible sales and service techniques
- The recommended forms of identification in Kentucky and how to spot a false or altered ID
